BENEFIT NIGHTS  
FAQ's

**Who may participate?** Any non-profit organization may host a benefit night.

**What are Campo di Bocce Benefit Nights?** Our benefit nights are a great way for your organization to raise funds while also enjoying some great food and a fun game.

**How does my organization benefit from these events?** On your selected day, 15% of all income (excluding alcohol) produced by your guests will be given directly to your organization.

**How will people know that I am hosting a benefit night at Campo di Bocce?** You may advertise any way that you would like to your members, affiliates, family, friends, etc. Campo di Bocce cannot be responsible for advertising your event; however, we do have invitations available through our website for your convenience. For best results, we suggest being creative: make invitations or flyers, post bulletins, advertise in newsletters, etc.

**When can we host a benefit night at Campo di Bocce?** Benefit nights can be held on Mondays, Tuesdays, or Wednesdays. You may reserve your night up to one month in advance.

**Will our guests need to make a reservation?** Reservations are not required; however, since our facility will be open to the public on your benefit night, we highly recommend that your guest make a reservation.

**What will our guests need to do when they show up for our benefit night?** Guests will simply need to inform their server that they are with your organization. Then all they need to do is relax and enjoy all that Campo di Bocce has to offer.

**How do we get the 15% donation from our benefit?** When your guests visit Campo di Bocce on your benefit day and they inform their server that they are a guest of your organization, we will add their paid receipt to your benefit amount. At the end of the night, we will total your guest receipts and calculate your 15% benefit. Within one week of your event, a check will be mailed to the address you provide at the time of registration.

**How do we reserve our benefit night?** To choose your night or get more information, please contact Cassie LeBaron at (408) 395-7650.
